

Board of Visitors

2025-2026 Call for Nominations

IDEAL NOMINEE

- An experienced executive leader—whether a CEO, CFO, Executive Director, or senior professional—across the corporate, public, or nonprofit sectors who shapes decisions and sets organizational priorities.
- Recognized as a respected and trusted voice in their field, community, or network.
- Actively engaged in their community, profession, or cause-based networks.
- Has a connection to Emory or is simply interested in learning more—no prior affiliation required. Emory alums are eligible to apply, provided they are not currently serving on an Emory board.

BOARD BENEFITS

- Engage with bold ideas, bright minds, and the transformative work happening at Emory.
- Discover mutually beneficial ways to connect your organization with Emory.
- Expand your personal and professional network among executive peers.
- Explore future opportunities for board service within the Emory community.

BOARD COMMITMENT

- Act as an Emory champion within your professional, personal, and community networks.
- Serve a two-year term on the board.
- Attend six to seven meetings each academic year. Meetings are held in person across Emory's campuses or virtually from time to time. Past meetings have included visits to cutting-edge research labs, business school classrooms, and the Science Gallery.
- Meet with Board of Visitors (BoV) staff twice a year.
- We prioritize engagement over giving. Members support Emory by leading classroom discussions, providing event space, sponsoring events, or participating in a panel.

With a limited number of nominees accepted each year, selection is highly competitive. A committee will review all nominations, and selected finalists will be contacted for a brief conversation with BoV staff.

Please submit all nominations by July 11, 2025!
